SPECIAL RESOLUTIONS

Disapplication of statutory pre-emption rights

RESOLUTION 6

That, subject to and conditional upon the passing of Resolution 5 above, the Directors be empowered, pursuant to section 570 of the Act, to allot equity securities (within the meaning of section 560 of the Act) for cash pursuant to the authority conferred by Resolution 5 as if section 561(1) of the Act did not apply to any such allotment, provided that this power shall be limited to the allotment of equity securities (i) in connection with an offer of such securities by way of Rights Issue (as defined below) and (ii) otherwise than pursuant to sub-paragraph (i), up to an aggregate nominal amount of £790,644.10 (such shares representing approximately 10% of the Company's issued ordinary capital as at 29 May 2018 (being the latest practicable date prior to the date of publication of this notice)) provided that such authority shall expire on the conclusion of the next annual general meeting of the Company, save that the Company may, before such expiry, make an offer or agreement which would or might require equity securities to be allotted after such expiry and the Directors may allot equity securities in pursuance of any such offer or agreement as if this authority had not expired.

In this Resolution, "**Rights Issue**" means an offer of equity securities to holders of ordinary shares in the capital of the Company on the register on a record date fixed by the Directors in proportion (as nearly as may be practicable) to the respective number of ordinary shares held by them, but subject to such exclusions or other arrangements as the Directors may deem necessary or expedient to deal with any treasury shares, fractional entitlements, record dates or legal, regulatory or practical issues in, or under, the laws of, or the requirements of any recognised regulatory body or any stock exchange or in any territory or any other matter.

The authority in this Resolution 6 applies in relation to a sale of treasury shares as if all references in this Resolution to an allotment include any such sale and in the first paragraph of this Resolution the words "pursuant to the authority conferred by Resolution 5" were omitted in relation to such sale.

Explanatory Notes

Report and Accounts (Resolution 1)

The Directors of the Company must present to the meeting the Company's accounts and the reports of the Directors and Auditors for the year ended 31 December 2017. These are contained in the 2017 Annual Report.

Auditors (Resolution 2)

The Company is required, at each annual general meeting at which accounts are laid before the Company, to appoint auditors to hold office until the next such meeting. This Resolution proposes that the Directors re-appoint Crowe Clark Whitehill LLP as the auditors of the Company.

Auditors' Remuneration (Resolution 3)

This Resolution authorises the Directors to determine the remuneration of the auditors in accordance with standard practice.

Re-election of Director (Resolutions 4)

The Company's articles of association require one third of the non-executive directors who are subject to retirement by rotation to retire and offer themselves for re-election at each annual general meeting. The Company's articles of association also state that newly appointed directors retire at their first annual general meeting following their appointment. Accordingly:

John Wright is standing for re-election as director.

Authority to allot shares (Resolution 5)

Under section 551 of the Act the Directors may allot unissued shares or grant rights over shares only if authorised to do so by shareholders. Resolution 5 will give the Directors authority to allot shares in the capital of the Company or grant rights to subscribe for, or convert any security into, shares in the capital of the Company up to a nominal value of £2,609,125.53 (which is equal to approximately 33% of the Company's issued ordinary capital and calculated as at 29 May 2018 (being the latest practicable date prior to the date of publication of this notice)).

The authority granted at the last annual general meeting to allot shares or grant rights to subscribe for, or convert securities into, shares is due to expire at the conclusion of this year's annual general meeting. This authority will replace the authority given to the Directors at the annual general meeting in 2016 and will expire on the conclusion of the next annual general meeting of the Company.

Disapplication of statutory pre-emption rights (Resolution 6)

Under section 561(1) of the Act, if the Directors wish to allot any shares or grant rights over shares or sell treasury shares for cash (other than pursuant to an employee share scheme) they must, in the first instance, offer them to existing shareholders in proportion to their holdings. However, there may be occasions where it is in the interests of the Company for shares to be issued other than pro rata to shareholders. For example, when the Directors need the flexibility to finance business opportunities by the issue of shares for cash without a pre-emptive offer to existing shareholders. This cannot be done under the Act unless the shareholders have first waived their pre-emption rights.

In order to give the Company this flexibility, this Resolution authorises the Directors, (subject to the passing of Resolution 5 above) to allot shares for cash other than to shareholders on a pro rata basis. Apart from rights issues or any other pre-emptive offer concerning equity securities, the authority will be limited to the issue of shares in the capital of the Company for cash up to an aggregate nominal amount of £790,644.10 (which includes the sale on a non-pre-emptive basis of any shares held in treasury), representing approximately 10% of the Company's issued ordinary share capital as at 29 May 2018 (being the latest practicable date prior to the date of

publication of this notice). This means that the proportional interests of the existing shareholders of the Company could not, without their agreement, be reduced by more than 10% by the issue of new ordinary shares. The authority will replace the authority given to the Directors at the annual general meeting in 2017 and will expire on the conclusion of the next annual general meeting of the Company.

The authority sought and limits set by this Resolution will also apply to any sale or transfer of treasury shares. Your Board considers it prudent to have the flexibility to buy-back shares into treasury and subsequently sell or transfer them, if appropriate.
