Rasmala Investment Funds – Rasmala Global Equity Manager Selection Fund

a sub-fund of RASMALA INVESTMENT FUNDS

Rasmala Global Equity Manager Selection Fund share class (LU1039532350)

This sub-fund is managed by Kredietrust Luxembourg S.A., member of KBL European Private Bankers S.A., Luxembourg.

Objectives and investment policy

Objectives

The investment objective of the sub-fund is to achieve capital appreciation by investing in a portfolio of long-only equity funds (collectively “Investment Vehicles”). The sub-fund may also invest in securities such as structured notes and exchange traded funds (“ETFs”) that pay a rate of return linked to the performance of underlying funds, markets or indices.

Investment policy

The Investment Manager will adopt a multi-manager, multi-strategy and multi-country approach to seek to achieve optimum levels of strategy, manager and geographic diversification. The Investment Vehicles selected by the Investment Manager will invest in a broad range of markets, including North America and Western Europe, as well as emerging and developed markets in the Middle East, Eastern Europe, Asia, Africa and Latin America. Some overlap amongst countries or regions is ex-

pected and certain Investment Vehicles may invest in multiple countries within one or more geographic regions. The Investment Manager may select Investment Vehicles that engage in, or whose performance is linked to, any traditional or alternative equity investment strategy (including opportunistic or short-term trading), although the Investment Manager intends to focus on traditional long-only equity strategies rather than alternative strategies such as long/short equity strategies. The sub-fund may use derivative instruments for hedging purposes.

The base currency of this sub-fund is USD.

The investor may subscribe, convert and redeem shares weekly.

Income of this share class is reinvested (accumulated).

Recommendation

This sub-fund may not be appropriate for investors who plan to withdraw their money within 1 year.
