# Rasmala Investment Funds – Nujoom Balanced Fund

a sub-fund of RASMALA INVESTMENT FUNDS

**accumulation share class (LU1645513182)**

This sub-fund is managed by Kreditrust Luxembourg S.A., member of Quintet Private Bank (Europe) S.A..

## Objectives and investment policy

### Objectives

The primary characteristic of a Shari'a fund is its compliance with Shari'a guidelines based on Islamic principles. The fund has appointed a Shari'a advisor which independently ensures that the sub-fund also meets such Shari'a guidelines in the management of all of its assets.

The sub-fund's investment objective is to seek long-term capital growth consisting of profit distributions and capital appreciation by investing in a global portfolio of Shari'a compliant equity instruments (including but not limited to common stock and related depositary receipts and participatory notes) and Shari'a compliant debt securities (which will principally be comprised of Shari'a compliant supra-national, government, government-related and corporate debt securities (Sukuk) (Ijara, Wakala, Mudaraba, Musharaka and Murabaha) and Shari'a compliant money market instruments. The sub-fund will be dynamically managed and may invest directly or through other collective investment schemes.

### Investment policy

The sub-fund seeks to achieve its investment objective whilst adhering to the following investment guidelines:

- maximum 60% of the sub-fund's assets in Shari'a compliant equity securities
- maximum 65% of the sub-fund's assets in Shari'a compliant debt securities
- maximum 20% of the sub-fund's assets in Shari'a compliant money market instruments

### Investment instruments

The weighted average credit rating of the portfolio will be investment grade (as determined by at least one of the internationally recognized rating agencies; Moody's, Fitch, S&P with the highest rating to apply).

Unrated and sub-investment grade rated exposure will be limited to a maximum of 20% of the sub-fund's assets.

The Investment Manager will utilize its expertise in debt securities to select the most appropriate debt securities taking into account the credit worthiness of the issuer, the yield to maturity, issue size, liquidity and duration. The Investment Manager regularly reviews the underlying credit risk of issuers using a combination of proprietary credit analysis, third-party credit intelligence and external credit rating reports released by the major rating agencies including Moody's, S&P and Fitch when making investment decisions.

The sub-fund is actively managed without reference to a benchmark.

The reference currency of this sub-fund and share class is expressed in USD.

Income of this share class is reinvested (accumulated).

The investor may subscribe, convert and redeem shares on each bank business day in Luxembourg.

### Recommendation

This sub-fund may not be appropriate for investors who plan to withdraw their money within 1 year.

## Risk and reward profile

### What does this synthetic indicator mean?

- The calculation of the risk indicator is based on estimated and historical data which may not be a reliable indication of the future risk profile of the sub-fund.
- The risk category shown is not guaranteed to remain unchanged. The sub-fund's risk indicator may shift over time.
- The lowest category of the risk indicator does not mean a risk-free investment.
- The sub-fund Rasmala Investment Funds – Nujoom Balanced Fund is classified in category 4 due to its investments primarily in sukuk and shari'a compliant equities.
- Your initial investment does not benefit from any guarantee or protection.

### The risk and reward indicator does not take into account the following:

- The value of sukuk may change significantly depending on economic and interest rate conditions as well as the credit worthiness of the issuer.
- The value of equity securities may go down as well as up in response to

the performance of individual companies and general market conditions.

- When investing in Participatory Notes the sub-fund may be exposed not only to movements in the value of the underlying equity, but also to the risk of counterparty default, which may in the event of counterparty default result in the loss of the full market value of the equity.
- Movements in currency exchange rates can adversely affect the return of your investment.
- The sub-fund will operate within the requirements of Shari'a, which may limit certain investment opportunities and may impose structural requirements that could increase costs and limit opportunities.
- Where applicable, the investment in underlying funds implies that the sub-fund is exposed to 1) the investment risks borne by the underlying funds, 2) the risk of increases in the level of charges borne by any underlying funds and 3) the risk that the underlying funds limit or suspend the right for their investors to redeem.
- Emerging markets may be subject to increased risks, including less developed custody, legal regulation and settlement practices, greater economic and political instability, higher volatility and lower liquidity than non-emerging market securities.
- Failure or deficient processes, systems and controls, human error or catastrophic events may lead to important losses.

Full information on the risks applicable to the sub-fund is detailed in the prospectus.
